SUMMER COLLECTION SCHEDULE

To help our community recycle more, Fleurieu Regional Waste Authority and Council collects Recycling and Green Organics (in eligible townships) WEEKLY during the summer peak on your normal collection day from 18th December until week ending 26th January.

General waste will continue to be collected fortnightly, including those residents with an exceptional circumstances (EC) bin.

SUMMER COLLECTION SCHEDULE DATES

On your usual collection day
STARTS Monday 18 December 2023
ENDS Friday 26 January 2024

Please check the FRWA online calendar search to confirm your collection day and cycle at **frwa.com.au** OR download the My Local Services App.

COLLECTION ENQUIRIES

Please contact FRWA on 08 8555 7405 for collection enquiries including missed collections.

Property owners are responsible for replacement and maintenance of their bins, including damaged, missing or stolen bins.

Bins may not be collected for the following reasons:

- Contamination with material that should not be placed in that bin
- Weighing over 50kg
- Was the bin out the night before collection day?
- Was the right bin out on the right day?

BIN CONTAMINANTS

FRWA's waste collection trucks are fitted with a camera and conduct spot audits of the bins presented at the kerbside for collection.

Bins found to contain contaminants will not be emptied and a photograph will be taken and noted against the property. Residents can refer to the 'what goes in which bin' pages in this calendar to determine the offending material. The contaminants will need to be removed from the bin before next collection.

Households who continue to present their bins with contamination may be suspended from the kerbside waste collection service.

BIN BANKS FOR REMOTE LOCATIONS

FRWA collects bins from property driveways where possible. In remote locations where FRWA does not provide a roadside collection, bin banks are provided in dedicated locations for households to leave their bin. Bins at bin banks may be chained to the rail/stand unless marked 'do not chain' by the owner of the bin. Bin bank locations can be found on the FRWA website.

For further information contact FRWA on 08 8555 7405 or visit frwa.com.au
